

We invite you to the **INAUGURAL PROGRAM** of **ANINDITA KALA MANDIR**, a chapter of the Valley Bengali Community.

This music and dance program, "Remembering Her Legacy," is our tribute to Anindita Sen Datta. We will feature community artists as well as the Bengali works of acclaimed dancer Viji Prakash. It is our attempt to continue with Anindita's efforts to promote bonding and harmony within the community and beyond. We hope that with your support this will be the first of many exciting programs.

The funds raised will be given to indigent children who otherwise may not have the opportunity to be exposed to the arts.
